Terms and Conditions

The main purpose of the Nearly New Uniform Shop is to sell previously owned good quality official school uniform and bags. Items of uniform can either be sold on behalf of the seller, whereby 80% of the sale price is returned to the seller, and the remainder to the School Charity¹; or items of uniform can be donated to the Shop, whereby all the proceeds go to the School Charity.

Previously owned uniform is normally sold at approximately 50% of the Schoolblazer prices. This may be reduced if the condition dictates. Shoes, socks, swimwear and underwear are not sold. **Items handed to the Shop which are torn, badly shrunken or faded, stained, unwashed, altered, too short or considered unsuitable for sale for another reason will be disposed of in a charity clothing bank.** If you are in doubt regarding the suitability of any items please ask a shop volunteer.

¹ The King's School Ely chooses which Charity benefits from the proceeds made by the Nearly New Shop.

Shop Terms and Conditions

I agree to the terms and conditions and consign my items to be sold. I understand that if items are found to be in unsaleable condition that they will be recycled or disposed of in the manner set out in these terms and conditions.

I understand that I will not be contacted by the Shop if any of my items are not considered fit for sale, but that a list will be kept of all consigned or rejected clothing.

Uniform brought to the shop will only be put out for sale as soon as there is capacity in the shop to do so (depending on space/volunteer time).

I give my permission for any items of uniform that are due to be discounted as uniform, to be reduced in price, in order to secure a sale on my behalf. Once items have been fully discontinued as school uniform, I understand that those items will be removed from sale and disposed of.

Please ensure the following information is provided with the uniform, otherwise it will be assumed that the uniform is a donation:

School Accounts go through the Shop books once a term and payments selected as credits to school fee bills will appear on the next school bill. For those who have left the school or have selected 'NO' to 'Credit to Fee Account' payment will be made into a bank account, these payments will take place once a year.

Please note, any issues with school uniform policy or School Blazer should be directed to the relevant section of the school or School Blazer as appropriate.

Returns

Purchased items may be returned to the Shop for a refund or exchange up to 14 days after purchase. Please ensure the price tag is date stamped at the time of purchase if the item is likely to be returned or exchanged.
