

Assessment Guidelines

King's Ely Year 12 Music Scholarship

Candidates applying for a Year 12 Music Scholarship at King's Ely should be performing at Grade 7 Distinction standard on their first instrument or voice, or performing to this level if the actual grade is yet to be taken.

A second instrumental or vocal study is required for a full Music Scholarship, along with a willingness to contribute to at least two regular groups and ensembles a week.

Neil Porter-Thaw, Director of Music Performance at King's Ely, is always delighted to hear any potential Music Scholarship candidates ahead of the formal assessment in November.
